MS GOBBO: Before we start, before you say anything else, is this being recorded?

OFFICER SANDY WHITE: It's not, but I'm about to start a recorder.

MS GOBBO: Well, I'm very concerned about that but - - -

OFFICER SANDY WHITE: Yeah. No, you tell me - before I start then, you tell me what your concerns are and I'll see if I can allay 'em for you.

MS GOBBO: O.K. Once something's recorded, it's there.

OFFICER SAND WHITE: Mm.

MS GOBBO: It's somewhere.

OFFICER SANDY WHITE: Yep.
