LEGAL PRACTICE ACT 1996

I, **KEVIN POWER**, General Manager, Professional Standards of Victorian Lawyers RPA Ltd **HEREBY CERTIFY** in respect of the following legal practitioner:

NICOLA GOBBO

Date of Admission to practice: 7 April 1997

Practising Certificate History:

Employee practising certificate: 9 April 1997 - 31 December 1998

NICOLA GOBBO is not the holder of a current Victorian practising certificate.

No practising certificate held by the legal practitioner has ever been suspended or cancelled nor has any order ever been made suspending the legal practitioner from practice in Victoria.

No proceedings are now pending to strike the legal practitioner's name from the roll of practitioners of the Supreme Court of Victoria or to suspend the legal practitioner from practice, nor have any complaints been received requiring disciplinary action.

I am not aware of any reason why the legal practitioner should not be admitted to practise as a legal practitioner elsewhere than in Victoria.
