Ms N Gobbo

Solicitor 1

**Law Firm 1**

Dear Ms Gobbo,

I refer to your facsimile dated 6 February, 1997 advising that you ceased employment with Molomby & Molomby on 7 February, 1997 to commence work at **Solicitor 1**'s office.

Upon searching my records, I could find no indication of you commencing employment with Molomby & Molomby, nor any application for a practising certificate. Furthermore, upon searching the Law Institute's duplicate copy of the Supreme Court Roll, I could find no indication of you having been admitted as a barrister and solicitor in Victoria.

However, if the above is not the case, and my records are incorrect, I would appreciate your written advises in order to amend my records accordingly.

I look forward to hearing from you shortly.

Yours faithfully,

**GERARD P. GLENNEN,**
