Dear Sirs,

RE: MS. N. GOBBO

I refer to your letter dated 26th February, 1997 regarding my facsimile to you dated 6th February, 1997.

It is not surprising that upon searching your records you could not find any indication of my commencing employment of a Solicitor with Molomby & Molomby, nor any application for a practising certificate. Please be advised I have recently completed my Articles at Molomby & Molomby and will be admitted to practice as a Barrister & Solicitor in Victoria on 7th April, 1997.

I assume that this corrects your records.

Yours faithfully,
NICOLA GOBBO
