

FILE NOTE

File No. LSC/06/3970

28 August 2006

A message was left on Debbie Jones' voicemail from Nicola Gobbo.

She asked to speak to Debbie about a complaint by Carl Williams.

Nicola stated that the complaint was full of lies and she was concerned for her safety as Mr. Williams had made death threats against her.

The Chairman returned Nicola's phone call.

Nicola informed the Chairman that she is not acting for any of the persons identified in the complaint.

The Chairman informed Nicola that the matter has been referred by the LSC and the complaint would be published to her and she could respond accordingly.
