OFFICER SANDY WHITE, OFFICER SMITH, OFFICER BLACK

MS GOBBO: Oh, yeah, of course. Hey, I hear Darren got his brief, not too happy.

MR WHITE: No?

MS GOBBO: well... why...given I don't act for him

MR WHITE:

MS GOBBO: he doesn't know that I'm responsible for his co-accused rolling on him... I'm a magnet to these people. What can I say they feel comfortable.

MR WHITE: But it's a stalemate, didn't you say you had a conflict of interest with him

MS GOBBO: Yes. What else could I say? If Darren's threatening me about being involved in some ecstasy manufacturing syndicate what else am I gunna say?

MR WHITE: So are you going to represent him?

MS GOBBO: XXXXXX?

MR WHITE: Yeah.

MS GOBBO: No he's crazy, well I don't know. He's got his hand-up brief so I guess I could give him some advice, the content I don't know of

MR BLACK: I'll jump on your grave there... so three - how many did you say before you leave home?
