Peter Smith-O

Mm. Friday night - bugger it - the 5th of the
 5th 2006, 2035 hours. ^{Sandy White-O} and ^{Peter Smith-O} meeting
 3838 and then later we'll be introducing ^{Anderson-DS}

Sandy White-O

Ready for action at the footy. See the score
 update, Melbourne by five goals. Yeah, it's pretty good.

Peter Smith-O

Said we'd pull up behind her. Do you want to go up
 in front? It's up to you. She won't - she won't care.

Sandy White-O

Depends what she's

Peter Smith-O

Yep, yep.

Sandy White-O

What she does - - -

Peter Smith-O

Yep.

(PHONE RINGS)

Sandy White-O

That must be

MS GOBBO: How are you going? Up front?

Sandy White-O

Up front.

Peter Smith-O

Hello. How are you going? You've - you've rung me
 by mistake. You just - the phone just rang. You've
 must've - - -

MS GOBBO: Oh.

Peter Smith-O You must've hit it. Yeah, yeah, all right. How
are you going?

Sandy White-O How are you going?

MS GOBBO: Not too bad. The benefit from is - - -

Peter Smith-O The benefit?

MS GOBBO: The benefit for you is that I'm more relaxed than I
am usually.

Sandy White-O You had a few drinks at the office?

MS GOBBO: I - well, we had a couple at 5.00 but then
..... is it turned off now?

Peter Smith-O Yep, yeah. I - I hung up that one. You can turn
it off if you want to.

MS GOBBO: They must've had their carrying
three phones is mental.

Peter Smith-O Yeah, yeah.

Sandy White-O You've got ^{PII} you've got ^{PII}

^{PII} What's the ^{PII}

MS GOBBO: My other mobile. I've always had - - -

Peter Smith-O

Always had a third - the second one's been - always in the car, basically. Is that right?

MS GOBBO: Yeah. But sometimes - it's listed with some - I think it's listed anyway so sometimes crooks ring it.

Peter Smith-O

: Right.

MS GOBBO: And I've worked out a way to try and get rid of half the people ringing on weekends and that is to divert my office number to my other mobile, not my normal mobile.

Peter Smith-O

Right. Would - that might be - hang on.

MS GOBBO: I can't miss ^{PII} [REDACTED] calls.

Peter Smith-O

Yeah.

Sandy White-O

Mm.

MS GOBBO: More attached than ever before.

Sandy White-O

Really?

MS GOBBO: Yeah.

Sandy White-O

Well, he needs a friend, doesn't he.

MS GOBBO: He thinks I'm going to marry him. It's your fault.

MS GOBBO: - - - process.

Peter Smith-O

You were going to tell him about that, though.

MS GOBBO: I'm going to talk to him on Sunday 'cause it's the last thing I want. I mean, I live in fear because I interest there so I don't - - -

Sandy White-O

But he - - -

MS GOBBO: - - - want to get PII - - -

Sandy White-O

He - he knows that he's put you in a position, doesn't he?

MS GOBBO: Yes, he does.

Sandy White-O

You spoke about this.

Peter Smith-O

Yeah.

MS GOBBO: Yeah.

Sandy White-O

: So obviously you're going to take that tack when you - when you see him?

MS GOBBO: Yes.

Sandy White-O

: Well, he's not going to want to put you in that position where - where you're blown out of the water for helping bring down the Mokbels. He's taken the burden

for that himself.

MS GOBBO: He has. Apparently he said to [PII] before - yeah.
He said - no, [PII] told me that he said to him - he saw
him during the week, that, "You've got to look after
her."

Sandy White-O

Yep. Well, he's been consistent 'cause he said
that on the night, too.

MS GOBBO: That's true.

Anderson-DS

So - - -

Peter Smith-O

Mm.

MS GOBBO: And honestly, I go back to that night, thinking, you
know, when I came back to [PII] I didn't - nobody
gave me any warning. I walked into that room and it's
laid on me. Would I have done any different? No, maybe
not, but my God, I would've thought about it or thought
about a way to get around it. Not as in to excuse myself
from [PII] but to - - -

Peter Smith-O

Mm.

MS GOBBO: - - - hatch a way of not being so - - -

Sandy White-O

So I think the situation with - with [PII] is -
it's to [PII] and we can certainly talk to him
about that. There'll be other issues and other pressures

MS GOBBO: - - - and I'm hoping that gives him a whole new focus.

Sandy White-O

Yeah. Well, the thing is if you're there for him you're actually creating what he wants to get back to.

MS GOBBO: I agree with that but I - I said before, part of the problem is am I there as a friend to him, which he thinks - - -

Sandy White-O

Mm.

MS GOBBO: - - - I am - or God knows what he thinks, yeah.

Sandy White-O

Mm. Or his representative?

MS GOBBO: Or because I'm really there to make sure that he doesn't - that he sticks to his end of the deal, or am I there because now I'm tied in with a mess with him and I need him to keep his trap shut, otherwise I'll end up being killed?

Peter Smith-O

: Mm.

MS GOBBO: It's a real mess.

Peter Smith-O

: Mm.

MS GOBBO: I mean, I told - I have told him to not say anything

to [REDACTED] tomorrow 'cause [REDACTED] got a big trap.

Peter Smith-O

: Mm.

MS GOBBO: I don't even know how [REDACTED] allowed to [REDACTED] tomorrow but that's beside the point, I guess.

Sandy White-O

.....

MS GOBBO: Nuh. And he wasn't charged, for some inexplicable reason.

Anderson-DS

Yeah. Well, you know

Peter Smith-O

Mm.

MS GOBBO: I knew the minute they said aiding and abetting. I thought, "Got nothin', no comment."

Peter Smith-O

Mm.

MS GOBBO: And I had - they had a go the next day. They said, "You didn't allow them to give DNA evidence." I said, "Why would I?" "You" - "You should've allowed them to give DNA." "Why would I?"

Peter Smith-O

And either they'll get it - - -

MS GOBBO: When's Horthy likely to be arrested?

Peter Smith-O

Dunno. If I get - if I find out, I'll tell you.
