

MS GOBBO: He might've asked - so even recently when he needed a tape expert he didn't ask me.

[REDACTED] Yeah. Do you ever socialise - - -

MS GOBBO: With Tony?

[REDACTED] Yeah.

MS GOBBO: Nuh.

[REDACTED] With any of that crew at all?

Peter Smith Sorry, can I interrupt there? There you're not including a call when you're in the office late at night and they're going to a restaurant? Like, I know - I know - I know they might think it's for business but it's the sort of - is that fifty-fifty arrangement?

MS GOBBO: No. Look - - -

Peter Smith No?

MS GOBBO: Before I started talking to you I wasn't really - I really didn't see any of them very much outside of - - -

[REDACTED] Work.

MS GOBBO: - - - you know, 9.00 - sort of 9.00 till 7.00 or 8.00. But I remember - I remember when this started,

Milad was really shitty with me because I had refused to go out for dinner with him - - -

Peter Smith-O Mm.

MS GOBBO: - - - for probably eight months or seven months.

██████████ So he'd keep on you, if you wanted to come out for - - -

MS GOBBO: Yeah.

██████████ Come out for dinner?

MS GOBBO: Yep.

██████████ Yeah.

MS GOBBO: No. I just - I - this - so early last year it virtually stopped. Part of that was because I didn't really know but Zarah was with Tony.

██████████ Mm.

MS GOBBO: And I think - and before Carl Williams was arrested there was a whole different social - go back a bit in time, there was a whole different social world with Carl and Roberta, Lewis Caine, Zarah - - -

██████████ Yep.

MS GOBBO: - - - Tony. I never was part of any of that.

[REDACTED] Yep.

MS GOBBO: I wasn't - wasn't involved in that. Then 2005, you know, the first few months probably not. I actually had my life on track for a few months there and then it just fell apart, you know, that day. I can't even remember who was - see, they all came out of the woodwork after my stroke, all these crooks that wanted to express their undying love.

[REDACTED] So did you get visits to the hospital?

MS GOBBO: They all came.

[REDACTED] To the hospital?

MS GOBBO: They all came.

[REDACTED] : Cards and flowers, the whole - - -
