

MS GOBBO: No, I don't know anyone called Dominic. Unless
 Dominic's the landlord, but then I've misinterpreted it,
 I thought there must be a guy called Michael was, I
 dunno.

Sandy White-O

Mm.

MS GOBBO: No, Steve - I was very conscious of giving Steve
 independent advice to the extent that I've got so many
 conflicts now it's beyond a joke.

Sandy White-O

But you tell me - I was trying to understand
 this tonight, |^{Green-O} and I were talking about it. If
 you're conflicted with ^{Pll} [REDACTED] because of ^{Pll} [REDACTED] - - -

MS GOBBO: Yeah.

Sandy White-O

- - - does that mean you're conflicted with
 everybody - - -

MS GOBBO: Yes.

Sandy White-O

- - - that's arrested?

MS GOBBO: Yes.

Sandy White-O

Oh, I see.

MS GOBBO: Yeah.

Sandy White-O

Yeah.

MS GOBBO: Why are ya - why are you smirking?

Sandy White-O

No, I'm not smirking, we - we were talking
about that and we - - -

MS GOBBO: When?

Sandy White-O

- - - actually spoke to Dale about whether you
should be talking to anybody with the view that, what
would be the evidentiary outcome if people started
making - - -

MS GOBBO: Yes.

Sandy White-O

- - - confessions because you'd given them
advice.

MS GOBBO: That's right, yeah.

Green-O

Which

Sandy White-O

So that was a little bit murky, and we would
have liked to have known the answer to that question.

MS GOBBO: Yeah. Although I - and I said to Dale when I came
out of seeing Steve, I said, "Look, you put a note in
your diary that this is what I've said to him, because I
don't want anyone on later on to be saying," you
know - - -

S&C

Green-O

Yeah.

MS GOBBO: "- - - it all comes out that I didn't give him his options and didn't do this and didn't do that."

Sandy White-O

Mm.

MS GOBBO: And I said, "I'll make a note," but by the time I make a note it will be, like, three hours late or something.

Green-O

Mm, that's right.

MS GOBBO: But what I said to Steve, "Look you know, "easier options." I always tell the standard same advice to everybody, "You can - if you're gunna answer any questions - if you decide to answer questions you've got to answer all of them, you can't answer some and choose not to answer others. Or say nothing all the way through."

Sandy White-O

Couldn't you just recommend that they make false denials?

MS GOBBO: No.

Green-O

How about this - how about this one, "What about tell the truth," or, no.

MS GOBBO: I did say that to Steve, I said, "If you choose to answer all questions for God's sake don't lie."

S&C
