

1 Sandy White-O : Mm.

2

3 MS GOBBO: Tony doesn't know where to begin, bargaining wise

4

5 Sandy White-O Mm.

6

7 MS GOBBO: I say, and I - this is what I think, part of what I

8 intend to say to Jim O'Brien, you know, who should be at

9 our meeting when we go to the DPP - - -

10

11 Sandy White-O Mm.

12

13 MS GOBBO: - - - is, "If - if you said to [REDACTED] the night he

14 was arrested, you said to him, you said, 'You're worth

15 about [REDACTED].'"

16

17 Sandy White-O Mm.

18

19 MS GOBBO: "You said you'd back him up, but that's how little

20 he could get to if he did what you asked him to do and he

21 put everyone in the world," which he's done, I

22 think, but then I - when I've read it, I'll say

23 left out.

24

25 Sandy White-O Mm.

26

27 MS GOBBO: But if you say, "[REDACTED] down to [REDACTED]"

28 then [REDACTED] should walk, because [REDACTED] involved in one -

29 partly in partnership with [REDACTED], but a little bit

30 lesser.
