**Driver Meeting 3/11/11**  
1130 Hrs (notes compiled 1600 from handwritten)

*F as witness for Dale Prosecution*

Committal for Dale due to start Monday

To proceed without F's evidence subject to final DPP decision Friday 4/11 (necessitating a withdrawal of several charges)

Discussed Maguire's legal advice of 4/11 (received by me 2/11), provided at request of VGSO, Maguire briefed to appear at Committal if required to claim PII

OPP prosecutor has received the advice as well.

Maguire's advice raises the issue of governance of Human Sources when the HS is a legal practitioner.

**Action: TC to discuss with JP as to how we can ensure appropriate governance**

Noted that comment at para 52 not accurate ( [REDACTED] )  
[REDACTED] However after a letter from F to VicPol (Driver?), VicPol [REDACTED] will [REDACTED] her to consider [REDACTED] to Vicpol program.

*GA concerns around INCA* – a pending AFP matter for drug large scale drug importation, after a joint operations

F was the originating Human Source, AFP although aware of the importance of the HS, are not aware that it was F

Some concern that F was acting as legal advisor to one of the accused at the time

Consequently a requirement to disclose, or at the least, make the prosecution aware of F's involvement and the potential that she was a legal adviser.

**Action: Fin to consider the requirements**

*Comments by F around a relationship with JP*

Fin to consider legal advice around "reason to believe"

JP to remain recused from Drive Stg Cte until further determination around the need for investigation, or until any investigation is completed.
