Sandy White-O : is it the original that you think is
out now?

MS GOBBO: The first time ever his statement is out about my
life and times as a drug dealer.

Sandy White-O : Paul Rowe?

MS GOBBO: The statement, Dale Flynn served it in the brief.

Sandy White-O : He's - can you give us a few days

MS GOBBO: And when I - when I rang him about it he said - - -

Sandy White-O : You got him at a really bad time.

MS GOBBO: And I apologised.

Sandy White-O : He apologised for being rude and - - -

MS GOBBO: He wasn't rude to me.

Sandy White-O : He thought he was.

MS GOBBO: No, Dale's God to me. He can't be at fault ever and
he can't be rude ever. It's true.

Green-O Yes.

MS GOBBO:

Green-O | You've been consistent with that.

MS GOBBO: I will never change. The man - he can't - I mean,
 he can be wrong but he can't really. I don't know what
 it is about the bloke but he - he has this - - -

Green-O Calming?

MS GOBBO: Yeah, I don't know how he does it but he does. I
 said to him I don't believe that it's ever been served.
 I think this will come as a massive shock to people and

Sandy White-O :

MS GOBBO: No, it's never been served before.

Green-O : I thought it came out in a bail app or something.

MS GOBBO: No.

Green-O : 'Cause I've got - I've got a copy of it.

MS GOBBO: Uh'uh.

Green-O : Thanks. Oh, no, you - you read it.

MS GOBBO: I gave it to you.

Green-O : Yeah, yeah.

ROTECTED

MS GOBBO: I'm sure I gave it to you.

Green-O : Or we gave it to you to read and - - -

MS GOBBO: I edited it. I went to Purana secretly one night and edited all his statements. I corrected them. But no-one ever knows about that. That would never come out. Even ██████ doesn't know I did that.

Green-O : Mm.

MS GOBBO: He could never reveal it 'cause he doesn't know about it. And they were very good the way they did it because the detective that I did it with is not a witness so it can never come out with people just telling the truth.

Green-O : Yeah.

MS GOBBO: It was well thought out.

Green-O : Who thought that out?

MS GOBBO: I presume Jim O'Brien or maybe ██████ did.

{Sandy White-O : some discussions about that. Anyway, give us a few days about that. Dale wants to go and track down every copy of it and compare it to the sanitised version to make sure or at least identify if it's out, how it got out do about it.

MS GOBBO: Well, I think it's - I just know there are people in
it who - - -

Sandy White-O : Can you just tell me - you've seen it. Did you
get it from Alastair?

MS GOBBO: Yeah, because Jacques' brief and the reason why that
happened is because Dale

Sandy White-O : You're convinced it is the original, a full
version of the original.

MS GOBBO: I've got the original.

Sandy White-O : Yeah.

MS GOBBO: I know it's the original.

Sandy White-O : Yeah.

MS GOBBO: The only version that's ever been provided anywhere
- and I think I've kept track - pretty good track of
who's been served with what where - was the heavily
sanitised version and I said to Dale as recently as two
month - three months ago, a subpoena to produce that very
statement was - was avoid - the production of it was
avoided on the basis of public-interest immunity.

Sandy White-O : Who - who made that condition?

MS GOBBO: Who - which police officer?
