Mick, having commenced proceedings against DALE and given Nicola is a key witness in those proceedings, I would like to engage with her in the lead up to the court hearings, as fraught and delicate that may be.

We also have some unfinished enquiries to make of her - particularly what DALE told her about his involvement in the Oakleigh burglary. Andrew HODSON says to us that a conversation took place between himself, Terry HODSON and Nicola, in which Terry disclosed DALE'S involvement in Nicola's presence. We would like to do this sooner rather than later.
