REFERENCE- Statements made by Witness F concerning Assistant Commissioner Pope

In furtherance to your written instruction to me dated 24 October 2011, please find attached a transcript of a conversation between Witness F and Task Force Driver members conducted on Friday 21 October 2011.

In accordance with your direction to me, I have advised relevant Task Force Driver members that you have been provided with this transcript.

I also advise you that a further telephone conversation took place between Witness F and Driver Task Force member Snr. Sgt. Buick on the evening of 25 October 2011. In that conversation, which was not recorded, Witness F again raised this matter and indicated an intention to write a letter of complaint to Acting Chief Commissioner Lay concerning it.

This matter will be the subject of notation and discussion at the next Task Force Driver steering committee meeting held on 27 October 2011. I will advise you further once that has occurred.

Regards

Graham Ashton AM
