Hi Fin

I am still chasing TS for you

Latest exchange with Chantal is below.

We think the TS is subject to suppression, which may however lift in late Oct.

Can you wait til then , or should we discuss possible application to the Court for variation ?

Thanks

Heya B

The defence made comments about Gobbo during the cross-examination of a witness.

This was during the trial and as far as I can see the Orders relate to the trial - which means all the cross-examination.

I agree - Fin will need to have the Order varied in order to gain access to the transcript otherwise I, and therefore the OPP, would be breaching the Order if we were to provide it to VicPol.

At the present date Cvetanovski is listed for plea on the 22nd October 2012 before His Honour Judge Coish.

VicPol may have more luck once his matters are finalised, they could then list the application before His Honour Judge Montgomery.

Hi

do you know if any of the TS re Gobbo is not subject to suppression orders ?

of if it is - is there an order specific to , or including all of , her evidence ; Fin may need to seek to have it varied , to allow him access , for Vicpol purposes.

thanks

Hi Fin

I will chase up the relevant people today, again.

re the DJ cases , Matt has the list.

He is also close to finalising our DJ Policy.

re the TS , Chantal said in June ;

**Hi Bruce**

**The non-publication order attached below was made at [REDACTED] sentence. The reason for the continuation of the non-publication order is that he still had a change of plea application (listed [REDACTED] as well as a [REDACTED] trial still on foot.**

**There was cross-examination during the course of the trial regarding Nicola Gobbo - it was strange.**

**I am happy to send you a copy given the terms of the non-publication order but would be concerned if it were to be forwarded to an outside agency.**

**I would however need to sift through four and a half months of transcript...**

**Let me know if you still wish to have it and I'll put it on the "To Do" list...**

I will let you know re both , ASAP

thanks

John mentioned that evidence was given in a matter he was prosecuting the had little relevance to the case but went to Gobbo's behavior. Apparently it was suppressed.

Hi Bruce

John mentioned to Graham at an earlier meeting some double jeopardy cases he brought back from the UK. Do you know the citations?

Do you have the transcript for the case that was mentioned at the last meeting relating to Gobbo?
