Thanks John / <sup>Hotham-O</sup>

I would much prefer a hardcopy AOR if this was available but I was led to believe that there wasn't any. I could not find any AOR on the full interpose file. If it is only available on audio I am in your hands as to how best I gain access to this.

Hello John,

Steve is looking for the availability of audio recordings/paper copies of AOR's for 3838. Can you please identify recordings which contain same & let me know.  
 Thanks

Hotham-O

G'day <sup>Hotham-O</sup>

Thanks again for all your time at Airlie last night. Probably the last thing you need at the moment is me picking your brain and I sincerely appreciate your openness and availaility.

I hope the EM exercise proceeds well today.

I wrote up some notes this morning and think that I am just about there. The only thing I can recall as outstanding is that you were going to arrange for me to now get access to the Acknowledgement of Responsibility for this matter which you indicated was held on audio recordings and was not available on hard copy. I am keen to get access to this to determine what bounds were put in place for the relationship. If it is not able to be provided to me then I will attend at your office to review same. Please let me know what suits best.

Thanks again.
