Hey Richards-O

I have a meeting at 9 which should only go for an hour and then after that I'm all yours. Would love a coffee. Give me a buzz when you want to catch up tomorrow.

I might even bring the midget - Marty....

Good Morning to you both,

I apologise for not getting this to you earlier, but Richards-O as you know I've been away interstate and busy with a witness.

Can you let me know when it's a suitable time to drop off the file to you.

Ps - Richards-O thanks again for all your help over the last week. Sorry for calling you all weekend.

Thanks Kindly,

Ange, just in case I forget tomorrow, can you please arrange to get the 3838 file which is in the double door safe and give it to [REDACTED] Richards for JO'C.

Steve Cuxson has the combination for the safe.

Thanks

Much appreciated - if you could arrange that it would be good.

Steve Waddell told me of the progress that you and your team have made re Briars,

Enjoy your time away in Bali
