Hotham-O will call you re this as there is a review in progress
I mentioned that all the info would probably be on the SML and they are uploaded.

Hello Green-O

Are you aware of any hardcopy or electronic documents at SDU relating to 2958/3838 that would not be attached to the Interpose shell/s? Of particular interest would be anything that discusses the transition from CHIS to witness & concerns about same. Thank

Hotham-O
