Shane and Greg

Any conversations between witness F and police relevant to "any disclosures made by witness F in relation to Paul Dale and he Hodson murders " do come within the terms of the subpoena.

That is what the defence are entitled to.

Lucia,

We do not comment on the existence of files referred to by Tony Hargreaves as "Informer Management Files" and any questions in relation to them are not answered on the basis of public interest immunity. As you have indicated, Ron has never confirmed the existence of any file of this nature.

Are you able to contact Tony Hargreaves and ascertain exactly what type of material he is seeking and if he is relying on existing subpoena requests or if this is in addition to his subpoena. Given that the witness has had communication with police, in the course of her occupation, for many years, it may also be prudent to ask Tony for a time period.

Regards

Shane
