

ICSC Ethics Committee

The Intelligence and Covert Support Command (ICSC) Ethics committee will sit at the discretion of the Assistant Commissioner ICSC.

The committee will comprise of the Assistant Commissioner ICSC and at least one Divisional Commander from the command not directly involved in the matter under consideration.

A representative from Professional Standards Command will be in attendance at all committee meetings.

The Assistant Commissioner will determine the attendance of any other members as appropriate to the issue under consideration. The committee is to comprise only of members of commissioned rank.

Where matters under consideration pertain to a specific command such as the Crime Command or a Region then representation at not less than Superintendent rank will be required to attend the committee meeting.

The committee may invite any relevant member of any rank including unsworn personnel to attend the committee for discussion or presentation. That person or persons will not be part of the decision making process.

The decision made by the committee will be recorded within a register maintained by the Staff Officer to the Assistant Commissioner and where appropriate recorded in the relevant official report such as Interpose.

The determination of issues will be at the final discretion of the Assistant Commissioner.
