Saturday 30 August.

Danny.

Hey buddy hows things? good as they can be I hope. As for me I'm fine.

Last night I received your letter, & as always it was my pleasure to hear from you.

Still no news about my computer - Tracy Tosh did come down to see us a week or two ago, & said there'll be a wait~~ing~~ for one component, DVD Drive, I think it was, at the moment they've ordered some so its a waiting game. but I havent even got my quote back, I'll get onto it monday, Ive got it under control at the moment, as long as I get it before X-mass, no good stressing about things we have no control over - true.

Nothing much has been happening here, some old the flus gone - thank-god, Im jogging & doing the bike daily for about 1½ - 2 hours, & yeh Im enjoying it, plus the weights slowly, slowly coming off. If I stand next to Ocka I actually feel skinny. (ha ha).

As I told Joey, I didnt get the letter you & him wrote me, not to worry, I know who it was about so I could imagine what was said. As I said to Joe the Police must have something over her, I caught her out - subpoena's there a wonderful thing, but not for people who

2.

have things to hide.

I'll tell you a funny story - once I caught her out, naturally I declared her badly, but directly to her face, as well as others.

I showed Milad the paper work, that she's no good, he didn't seem to care & still stayed in contact with her, but I'd yell things out in the background & he'd try to cover the phone.

He'd call her sweetie, gorgeous all these names that got under my skin, whilst he was talking to her - he'd thought she could help him, & she liked him, & would never do no wrong to him or his family. Then Harty

come to jail - had his committal - [REDACTED] waved the right to his committal. The witness [REDACTED] gave his evidence, he said at first he made a no comment record of interview, he only decided to assist after talking to Gobba.

Then he [REDACTED] & got [REDACTED] pinched - [REDACTED] jailed (indirectly) & [REDACTED] & [REDACTED] & [REDACTED] all arrested - now believe it or not,

she's no good - oh fuck, when she done it to others she was sweetie & gorgeous, now she's a dog - I said she's alright, she only giving her clients the best advice - it's up to them whether they take it or not (ha ha).

Now of course none of them are in contact with her.

3

Shes with the DON, she told [REDACTED] †  
[REDACTED] about Faruk thats why  
his charged with 2 murders, Now she acts  
for Faruk, no conflict of interest, the  
law nistrute say its ok for her to act  
for Faruk, the law is / has been thrown out  
the window.

I have heaps of stones. I could tell you  
them all day - they get better too.

Anyway I'll leave it there for now, †  
hopefully I hear from you again soon.

Best wishes.  
Your friend always - Carl
