BROTHER,

How are ya mate, I trust all is going well at your end as shit at this end is all cool. I recieved ya letter today also the letter that dog slut sent you, who does she think she is? That letter made me angry the way she worded it, I wasnt too impressed with it. Im sure the Fat slut will catch aips one day or pay the way she takes cock! We'll laugh even more then than we do now, thats just the sort blokes we are, we enjoy a laugh. And she enjoys cock aplenty. Well brother I recieved my P.C today, but dont expect a typed letter any time too soon as Im not even sure how to turn it on yet. It looks good on my bench but. L²

Im sure I'll learn how to use it properly in time, Im actually looking forward to learning.

What about this Thailand caper, me girl heads over 4 a holiday and all hell breaks loose. She sponse to board a plane 2morrow to come back, good luck with that. She'll be back sooner or later so its all good, as you said we both needed a bit of a break.

Brother I know you worry about me as I definetly do you, but Im doing O.K, it gets abit stresskull as court comes nearer but Im sweet. I'll be getting some Fish Oil as Ive only ever heard good things said about the shit.

So I'll give it a run,

Yeah Im onto that show

=2=

Shameless, Funny shit brother. Its on again 2nite so I'll laugh with ya. Im also rept the Olympics are over, what about the dude cunt who lost the plot and wanted to kill every cunt in sight. Now that was my highlight of the whole event. I Loved it.

Im gonna start watching this new show 2nite "Taken Out". Should be good, heaps of sluts. Fuck Im hanging to bang some moles, it'll happen brother we gotta get out one day one year true. This jail caper aint got shit to it, as long as our loved ones are O.K then it dont matter how long it takes. Obviously the quicker we have the better, but at the end of the day I feel as though I was born here anyway. I just love the feeling of beating the dogz at there own game, the jail part, just a work hazard.

Anyway brother Im gonna Fuck around some more on the P.C, so I'll let ya go now and see if I dont smash it. So cya take the best of care and I'll do the same at this end.

BE GOOD AT IT BROTHER
 LOVE, LOYALTY, FAMILY FOREVER
