OFFICER SANDY WHITE

OFFICER PETER-SMITH

**MS GOBBO:** Before we start, before you say anything else, is this being recorded?

**OFFICER SANDY WHITE:** It's not, but I'm about to start a recorder.

**MS GOBBO:** Well, I'm very concerned about that but - - -

**OFFICER SANDY WHITE:** Yeah. No, you tell me - before I start then, you tell me what your concerns are and I'll see if I can allay 'em for you.

**MS GOBBO:** O.K. Once something's recorded, it's there.

**OFFICER SAND WHITE:** Mm.

**MS GOBBO:** It's somewhere.

**OFFICER SANDY WHITE:** Yep.
