Time 3-4pm

meeting with A Bona, Peter Lardner &
Ciemy Maguire

narrow defence: Dale believed conversation was privileged.

2nd defence: cant believe anything she says - in bed w
police, after money etc.

BB's

~~BB's~~ approach - dont unpack her life in terms of credit
not relevant to the charges.

But it is relevant (likely) this will be an issue
of what her involvement with police has been.

Need to know what problem we are facing based
on the extent of her involvement w police

problem may be if she has been involved in
informing on clients of hers - crims will
appeal sentences.

Drug Squad also tarnished.
