Assistant Commissioner Ashby
 Traffic & Transport

**Subject: Request withdrawal of penalty notices
 No. 0604671400 and 0604671417**

1. On the 26th of April, 2006 the Human Source Payments Committee convened to determine the application of a number of requests for human source rewards. The committee was Chaired by Assistant Commissioner Simon Overland and also attended by Commander Dannye Moloney and Superintendent Jack Blayney.

2. A matter that was heard and determined on this day related to Victoria Police registered human source 21803838. The application regarding this source was the withdrawal of two penalty notices that had been issued as a result of speeding infringements incurred through the traffic camera office. It was stated in the reward request that the human source was deployed by the handler at the time the infringements were incurred.

3. The two infringement notices have the following obligation numbers:

- 0604671400 incurred 3 February, 2006
- 0604671417 incurred 3 February, 2006

Please see attached a copy of the Human Source Payment Committee decision signed by each committee member.

4. Report forwarded for information and attention.
