Steve,

The update for today is;

- * Barbaro and Zirilli and Falanga all flew in this morning from interstate and they all had a meeting with Karam and Harry at Curly Joes in Melbourne.
- * This meeting last approx 2 hours. No evidence or actual content of the meeting are known.
- * Falanga is staying at the Marriot Hotel tonight, not known when he is flying out but appears tomorrow, time not known. No LD installed for tonight.
- * Meeting today with Sharon HOLT and James Commons re intelligence, investigation progress and deficiencies in dissemination of material and was extremely worthwhile. Identified areas analytically that could be improved and he will assist more analytically which is a bonus.
- * Canvassed again with TI capacity at AFP and at maximum at this stage.
- * A/V for tonight is myself INCA and A/V for Kara PREECE AGAMAS for phones..
- * Barbaro and Zirilli flew out tonight to New South Wales..
- * Nicolo GOBBO is catching up with Karam a lot of late, and one could infer her associations and these meeting that she may be crossing the line, spoke to Purana and Mark HATT, she is also still active with their side of things to what extent is not known and he stated Gavan RYAN is also

interested in GOBBO as well. We are arranging for a meeting to see what info each unit may have on same and what we can do to progress the investigation.

* Meeting tonight at Romanticas with Karam, Tony Sergi, BUGEYA, Dagher, Harry, and I've called out the AFP dogs to target Shane BUGEYA and to take him home tonight from there.

* That's pretty much it, I'll talk to you tomorrow.

I'm leaving shortly.

Cheers
