Officer in Charge  
Prison Squad

**Subject: HUTCHISON, Daniel Owen (██████████) MNI 184190737 - Request  
Monitoring Of Electronic Communications Whilst In Custody**

---

1. Daniel Owen HUTCHISON (██████████) was arrested and charged with Trafficking a Commercial Quantity of Amphetamine on the 20<sup>th</sup> of November 2003. He was subsequently remanded in custody to the 5<sup>th</sup> of April 2003.
2. HUTCHINSON is currently on remand at the Melbourne Assessment Prison.
3. HUTCHINSON has been linked to persons of interest identified in Taskforce Purana.
4. On Friday, 12<sup>th</sup> December 2003, HUTCHINSON made a telephone call to his solicitor, Ms Nicola GOBBO utilising a prison telephone. Intelligence holdings held by the Purana Taskforce suggest that a current Taskforce Purana target was present at GOBBO's office at the time the call was received and the target subsequently had a direct telephone conversation with HUTCHINSON. Call records obtained indicate that a call to GOBBO's office was made by HUTCHINSON during the detected time period.
5. It is requested that telephone calls made by HUTCHINSON in the future, whilst incarcerated, be monitored in order to detect evidence of unauthorised telephone contact with diverse others utilising Ms GOBBO telephone and to ascertain if this is a method of communicating illegal activities that have previously gone undetected.
6. A security classification has been given to this document.
7. Report forwarded for information and consideration.
