

MS GOBBO:

Peter Smith-O: Just rip it out and take it home.

Green-O : We could swap memory sticks one day. All good
.....

MS GOBBO: No, because he said "I want to ask you
..... because I want to ask you a question, right.
Nicola's the one that convinced me I don't
know but I trust her. Who can I get to put - who can I
get to put it all together for me?" [REDACTED] "Look, I
reckon [REDACTED] is an honest solicitor." [REDACTED] "He's
a weak cunt though." Oh, dear me. I'll have to edit
this transcript before I ever give it to [REDACTED] and then he
goes - - -

Green-O : I don't think that's sensible

MS GOBBO: [REDACTED] says, "But he's honest." [REDACTED] goes,
"Yeah." [REDACTED] goes, "And I believe Nicola is
ultimately honest too." [REDACTED] "Yeah, she is and I
don't think she'll sell me out to them." He goes, "Yeah,
well, I don't think she will either." Fuck, what a line
he uses. Have you read this?

Peter Smith-O: I have not read it, trust me.

MS GOBBO: How's - - -

Peter Smith-O:

MS GOBBO: No, seriously, how's this? This is just - I'm blown away by this. "He's a weak cunt though. You know what I mean by that." Bateson, "Yeah." [REDACTED] "Yeah." Bateson, "But he's honest." [REDACTED] "Yeah." Bateson, "But I believe Nicola is ultimately honest too."

[REDACTED] "She is but I don't think she'll sell me out to them." Bateson, "Well, I don't think she will either."

[REDACTED] "I'll be honest with you. I've got a gut feeling she'd rather help you than help what's going on out there." What an ironic thing for him to say. Bateson, "Well, I don't know about that but I think she's honest." Isn't it funny for him to be saying that?

Officer Green That will be his perception of what he's doing and that if you were - if you were a dirty rat, he probably wouldn't be sitting in gaol. He'd probably be buried in the confines after he's been murdered in there.

MS GOBBO: If I was?

Officer Green Yeah, if you sold him out because - - -

MS GOBBO: Oh, yeah.

Officer Green If your main objective was to help them like some people might be, yeah, he wouldn't be - he wouldn't be there.
