

Sandy White No, he's saying she'd rather help - - -

Officer Green You guys than them.

Sandy White: Not me.

Officer Green Yeah, rather help the good rather than the - - -

Sandy White Than the evil.

Officer Green Because basically she's good. That's the

.....

Sandy White-O

I wouldn't be concerned about that.

MS GOBBO: Why?

Sandy White-O

Because the sentence before is, "I believe Nicola is ultimately honest." That's Stuey.

MS GOBBO: No, I'm not worried about what he said.

Sandy White-O

No, no, but then he says, "She is but I don't - I don't think she'll sell me out to them. I'll be honest with you, I've got a gut feeling she'd rather help you than help what's going on out there." He's talking about them.

MS GOBBO: My integrity.

Sandy White-O

: Yeah, but he doesn't think that you'll go

running back to Carl - - -

MS GOBBO: No.

Sandy White - - - about what he's saying because your allegiance is with the good guys, of which [REDACTED] is sort of becoming part of, not the bad guys. I think that's - that's a good comment.

MS GOBBO: I'm not saying it's a bad comment. I think it's ironic.

Sandy White Yeah, it is ironic but I don't think it's based on any - - -

MS GOBBO: it sounds weird because when he's - when he's asking about me, Stuart can't say to him she got [REDACTED] over the line because he can't say anything about that.

Sandy White He's done a pretty good job I think being honest, trustworthy, professional.

MS GOBBO: He knew - Stuart knew - when I went to [REDACTED] hearing when he was on bail at the County Court and I was under extreme pressure around that time for a variety of reasons but he could see I was beside myself and I desperately wanted to speak to him but couldn't at the time, or probably could have but couldn't, and [REDACTED] but it had my amendments done to them and from the defence barrister's point of

view, that's a critical thing to cross-examine about, who made the changes, who did this and who worded it. That never come out but I've got to face the - face the risk of that coming out at the trial so my fear that it all hasn't - - -

Sandy White-O

MS GOBBO: to date none of it's come out.

Peter Smith-O
Yeah.

MS GOBBO: Mark Hatt my God, he never said anything but then I don't think he was asked the right questions but he never said anything.

Green-O
Who's that?

MS GOBBO: Mark Hatt.

Green-O
.....

MS GOBBO: Huh?

Green-O
.....

MS GOBBO: Mark?

Green-O
Mm.

MS GOBBO: He - he was - he was in - I don't know if he's in

Stuart's crew but he was sent to my office one Saturday. This is when [REDACTED] was coming to an end, like, he made - he'd done all the debriefings, all that stuff and he made statements and [REDACTED] had rung me up and said, "Look, I'm not happy with these bits and pieces," and I said, [REDACTED] said, "Well, I'm not signing them till you read them," and that was - I mean, he said to Bateson, "Bad luck, I'm not signing them till she reads them," and then for some reason it had to be on a Saturday and same thing sat in my office when I read them because he wouldn't let me obviously have copies of them and I spent that - obviously that period of time extremely paranoid afterward the fact that I knew but I couldn't say anything and sure enough, three or four weeks later I was which was - I'm not saying that was the reason. It was a combination

Peter Smith It's got it's got the amount, the date, that's all I need it's fine.

MS GOBBO: Yeah.

Peter Smith Date, time, amount, what it's for, it's fine.

MS GOBBO: I can't even get a balance on it now. I don't know what's wrong with it I don't like using ATM cards at 7 Eleven.

Peter Smith
