Dear [REDACTED]

**Preparation of supplementary report on Nicola Gobbo**

We refer to your report dated 12 September 2019.

As you are aware, Ms Gobbo is currently involved in a legal matter in Australia. She is required to obtain updated medical evidence in connection with that matter.

We would be grateful if you could prepare a short supplementary report addressing the following questions:

1. Please describe Ms Gobbo's current health and level of pain.
2. If Ms Gobbo's prescriptions have changed since you prepared your previous report, please set out Ms Gobbo's current prescriptions and describe any side effects of the medication.
3. Have any of the opinions which you expressed in your previous report changed and, if so, could you please explain how and why your opinion has changed?

We would be grateful if you could provide us with your report by **Monday, 25 November 2019** or as soon as possible thereafter.

We look forward to receiving your report and thank you again in anticipation.

Yours faithfully  
**MinterEllison**
