STATES:

My full name is Nicola Maree GOBBO and I reside at an address known to police.

I am the owner of vehicle [REDACTED], a silver 2005 BMW 330CI coupe.

On Wednesday 16 April 2008 I drove to work and parked my car in a car park in Little Bourke Street. At approximately 4.30pm I drove to a Neurologist's appointment in East Melbourne. I then returned to my office and at about 6.20pm parked outside my office in Lonsdale Street, Melbourne.

At approximately 7.45pm I left my office with solicitor Alastair GRIGOR and we drove in my car to the South Melbourne area where we had arranged to meet Jacques El HAGE at 8.00pm for dinner.

At approximately 7.55pm I parked my car on the north side of York Street, approximately 20 metres east of Clarendon Street. It was parked in an angle car park, bay 7, directly outside 68-72 York Street. Alastair and I then left the car and walked around into Clarendon Street where we met Jacques at 'Centro' for dinner.

At approximately 9.35pm I received a phone call from the Police communications centre advising me that I should return to my vehicle as it had been damaged by fire.

Upon returning to my vehicle I found police and fire crews in attendance and the fire in my vehicle had just been extinguished.

The value of my vehicle is approximately \$90,000.00.

In addition numerous personal items were contained therein including; a mobile phone charger, two mobile hands-free kits, two pairs of sunglasses, about 10 CDs, an e-tag, two different security car park passes, a vehicle log book and two baseball hats.

The total value of these items is approximately \$1000.00.
