This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

Thanks Steve,

I agree with your recommendation.

Please raise this with the Briars Board at its meeting next Monday.

I will be on leave, so Dannye will be in the chair.

The venue for the meeting will be in my office.

Regards

Luke

Luke,

Officer Terrasse is ideally placed to do this. I say this for the following reasons:- Officer Terrasse

1. [REDACTED] has been privy to part of the investigation and in particular its sensitivities but not so exposed that [REDACTED] would have formed a judgement or be wedded to any particular strategy
2. As [REDACTED] has been partially exposed we would not be opening up any further potential for compromise
3. [REDACTED] has significant experience as a [REDACTED] investigator and is an experienced sub officer who has been graded to Acting Inspector for a lengthy period
4. As I understand it, part of [REDACTED] role during the various times that [REDACTED] has worked for Simon Overland was involved in conducting various reviews.

Officer Terrasse is currently attached to Crime and is working at Operation [REDACTED]. If you were to accept my recommendation I believe that [REDACTED] could attend to the review on a part time basis, incorporating it in with [REDACTED] current duties. If we were to give [REDACTED] access to the directory she could carry out the review from her current location. I would estimate that such a review would take approximately 8 weeks.

Forwarded for consideration.

Regards
