Subject: Dale Defence subpoena
Attachments: @

Good afternoon all,

This morning as you know there was a mention to deal with the Defence Subpoena of Paul DALE. The matter has been adjourned until 22 February for further mention. Before that date we have to compile all the documents that fall within the scope of the subpoena so that Ron GIPP can then work through the documents from the point of view of PII etc.

Attached is a copy of the subpoena and a copy of the spreadsheet that Sharon has compiled to monitor the compilation of the documents.

Each of us are responsible for collating certain documents within the scope of the subpoena. It is up to each of us to ensure the documents you are responsible for are **properly vetted** to remove all information which could be excluded under Public Interest Immunity prior to providing them to Sharon. Once you have obtained the documents assigned to you, vet them and provide them to Sharon so that she can place them in the proper section of our folders.

Below is a summary of who is responsible for what:

CAM - Items 1, 2, 3, 5, 6(i), 8,14

SOL - Items 6(v) - Notes of DAVEY, SOLOMON, SMITH and O'CONNELL re removal of [REDACTED] from prison
 Item 6(x) - 2 x O'BRIEN transcripts and anything else
 Item 7(x) - recording of meeting between Fitzy and George, and Fitzy's diary notes if not included in the stuff we gave to COLLINS

STEVE - Item 4(iii) - Chart and steering committee reports
 Item 6(iii) - A/A
 Item 6(vi) - A/A
 Item 6(viii) - application to prison to remove [REDACTED]
 Item 7(iii), (v), (vi), (viii) - as per [REDACTED]
 Item 12 - Your investigation notes

SHANE - - Item 4(ii) - 2 x Wit F OPI transcripts need vetting, and I'm not sure if you have anything else that would fall into this section. Also, can you liaise with Martin HARDY on this issue and ensure that they don't hand over these transcripts themselves (the OPI is also subpoenaed) until they have been viewed by you, to ensure they don't provide a copy of the transcripts containing material that VicPol thinks should be vetted out for PII. (Ron GIPP has requested we liaise with OPI on this)

Item 4(vii) - your notes re dot points one and two, if you haven't already included them in the notes you gave Sharon for the COLLINS subpoena.

If there are any questions, let me know.

Thanks for your help.
 Cam
