Attention: Mr David Ryan

Dear Sir

Witness F

We refer to your letter dated 10 February 2010.

Our client requires copies of all documents and the audio recordings relating to her that the Chief Commissioner intends to produce on 22 February 2010 by return. This will allow our client to consider her position and whether or not she requires her own representation on that date.

Accordingly (and by reference to the letter from your office to Tony Hargraves & Partners dated 8 February 2010) please provide us with:

- Item 1 – in particular call charge records of our client;
- Item 4(iii) – the chart of monies referred to therein;
- Item 4(vii) – the audio recording of the conversation between our client and Detective Senior Sergeant O'Connell on 7 January 2009.

We await receipt of the documents and audio recording. Our client otherwise reserves all of her rights.

Yours faithfully
Piper Alderman
