

BATESON: "Well, you wanted to see us mate."

Mr Thomas

"How can you give a bloke indemnity, when he's alleged to be the shooter."

BATESON:

"Well, ^{Mr Thomas} you don't get to, well you can ask those questions all you like but you don't get answers to those questions."

Mr Thomas

"I know that mate."

BATESON:

"All I can say is that we had an offer on the table for you since day dot."

Mr Thomas

"He was around though"

BATESON:

"However, your circumstances have changed dramatically in the last week."

Mr Thomas

"Mine?"

BATESON:

"Your circumstances have changed dramatically in the last week. We know things now that we didn't know."

Mr Thomas

"Hang on, I'll tell you something now, now let's get something straight, you were (indecipherable) ...he worked it out right, and I said to him, I said listen right, I'll fucking know something that I've seen and I'll tell them right."

BATESON:

"You're talking in riddles to me ^{Mr Thomas} |"

Mr Thomas

"I saw something, right, and I said ^{Mr Andrews} you want to fucking allow him to make up stories about fucking, Carl or whatever, right, I said remember this, I fucking tell 'em what I saw, I said I don't know how you are going to get out of that one, that's why I wanted Dean GRANDE"

BATESON:

"Well you don't "

Mr Thomas

"Okay, you can't give me what I want. So why "

O'BRIEN: "If you're going to be upfront about it, tell us about ^{Mr Cooper} . Tell us about Jacques El HAUGE, Tell us about Tony MOKBEL and your involvement there, in 2002."

^{Mr Thomas} "(indecipherable) Tony MOKBEL."

O'BRIEN: "You're worried about that name?"

^{Mr Thomas} "Tony MOKBEL?"

O'BRIEN: "Yeah."

^{Mr Thomas} "I'm not worried about Tony MOKBEL."

O'BRIEN: "All right, well tell us about that."

^{Mr Thomas} "What do you mean, Tony MOKBEL?"

O'BRIEN: "No, tell us about it. In 2002 and your involvement with ^{Mr Cooper} when you were running a lab down at Rye, in 2002."

^{Mr Thomas} "(indecipherable) I supplied the oil, listen I was the go between RADEV and Carl for the oil to give to ^{Mr Cooper} , right."

O'BRIEN: "Yeah, and who was running the show? Who was running the show?"

^{Mr Thomas} "Carl WILLIAMS(indecipherable), hang on if you have a look, no we, right, everyone, we made quite sure that the MOKBELS' didn't know we had ^{Mr Cooper} working for us, that was always the deal. I'm not covering the MOKBEL'S here. That's where I had the fallout, right, with the MOKBELS because they found out I was using ^{Mr Cooper} and he got busted. In the brief right, I'll tell ya, okay, when he found out, that's when I had the fallout with MOKBEL, not Tony, with Millsy. I'll tell ya, nothing to do with ^{Mr Cooper} right, when Millsy found out

BATESON: "Have you discussed this with Carl?"

Mr Thomas

"No. No."

BATESON: "How do you know this?"

Mr Thomas

"I know for a fact that Carl, I said to Carl if ^{Mr Andrews} makes up a story I'm rolling by myself. I'm just gunna fucking put my hand up, tell 'em what part I had in it and that's it. That's all I discussed with Carl. I said I am not going to fight it. You can fight what ever you want. I have one idiot to deal with fucking ^{Mr McGrath} to deal with, I'm not going to cop fucking ^{Mr Andrews} as well, I said give me a spell because ^{Mr Andrews} for the last three or four weeks, was making up, he wasn't making up he was trying to find out things. That's what I said, Carl, this guy's trying to put something together here, what's he fucking up to things that meant nothing ^{Mr Andrew} wanted to know about. I said what's he fucking on about? This doesn't make sense. He wanted to look at my bail application. There was an affidavit that you made in there, right. I had it all highlighted [REDACTED] in there. He said oh um, they believe that me and Carl set Nick up, right shit like that. And ^{Mr Andrew} goes what's that mean and I explained it to him(indecipherable) going to charge him with it."

O'BRIEN: "All right well what about if we ah, we seem to be going around in circles a little bit."

Mr Thomas

"We are but(indecipherable)I'm worried."

O'BRIEN: "I know that."

Mr Thomas

"Can I ask you a question?"

O'BRIEN: "Yeah."

Mr Thomas

"Right. I will tell ya, what I just told you those names, no dramas"

O'BRIEN: "Yeah."

Mr Thomas

“His co-accused, he got pinched.”

O'BRIEN:

“Whose co-accused?”

Mr Thomas

“Carl and Hutchy's. Have you worked out where I'm getting the information from.”

BATESON:

“I can't get where you are getting information from.”

Mr Thomas

“How do you get information like that?”

BATESON:

“I don't know. You tell us.”

O'BRIEN:

“Are you telling me it's coming out of the police ranks are you?”

Mr Thomas

“It's come from there somewhere.”

O'BRIEN:

“Yeah. Who?”

Mr Thomas

“That's it. I don't know. It's coming from there.
(indecipherable)”

O'BRIEN:

“Yeah, well do you know who it is?”

Mr Thomas

“No. The copper?”

O'BRIEN:

“Yeah.”

Mr Thomas

“No. I do tell. I'm not going to give him up. I'll tell you why I'm not going to give him up. I'm a hundred percent sure but I think you know.”

BATESON:

“I don't know. I know him or I know?”

Mr Thomas

“You know him.”

BATESON:

Mr Thomas
“Listen I'd be inclined to say where
I(indecipherable)”

Mr Thomas

“I'm fucked up(indecipherable)”

BATESON: "If you talk around in circles, unless you're prepared to tell us"

Mr Thomas

"I've got to think of myself. do the 30, 40, 50 years, die in gaol right or look after my family or do the time and make sure my family's all right. How do I know you can't use this against me?"

BATESON: "Talk to your lawyers about it."

O'BRIEN: "Talk to your solicitors they'll tell you."

Mr Thomas

"I'm fucked up right, I'm fucked up. Can I get my solicitors back out here."

BATESON: "If you want to, yeah."

Mr Thomas

"Right. I get them back out here."

BATESON: "Talk to them."

O'BRIEN: "Talk to them and then make contact with us through them, if like. See what you want to do."

BATESON: "You're fully in or, we're not interested in half way"

Mr Thomas

"No, no fucken half in or half out I know what your up to. You don't understand me ...when I give it to you but I don't want to do gaol. Can you give me some sort of, can you indicate to me(indecipherable)."

O'BRIEN: "That's up to the OPP, we can't influence that. All that will be, your up front with us, you tell us everything that you know, we go out and do our best to corroborate what you're saying, from we already know to be known facts, that you're not privy to and if we believe you're telling the truth we'll put the best case that we've got to the OPP and then they'll make a decision with your solicitors. At which point you'll be advised and then you make the decision whether you want to"

Mr Thomas

"(indecipherable) whether I move."

BATESON: "I can. My advice to you is that you're going to need to be frank and full with your solicitors. Going to have to."

Mr Thomas

"Hang on, hang on. That's why I want you here, right and that's what I want to tell him. Jim told me to be frank. I'm going to tell Jim straight out."

BATESON: "Yeah."

Mr Thomas

"Frank."

O'BRIEN: "Do you trust him?"

Mr Thomas

"Hey?"

O'BRIEN: "Do you trust him?"

Mr Thomas

"Yeah. Jim's alright. Jim's the one who told me to fucken roll."

BATESON: "Well that's what we'll do. We'll get him to come down. Might be able to come down on the weekend, I don't know."

Mr Thomas

"He won't come down on the weekend."

O'BRIEN: "All right. Well you think about it in the mean time, what we've had to say to you and"

Mr Thomas

"You can't give me any indication?"

O'BRIEN: "No. It would be wrong of us to do it."

Mr Thomas

"I was just asking. Can't you see what I'm trying to say to you. You know what I'm trying to say?"

O'BRIEN: "Yeah."

Mr Thomas

"You know what I'm like. Fucking goose. Should have just fucking rolled."

BATESON: "Well I gave you enough opportunities mate didn't I?"
