Jeff _ I agree with Fin, it is too specific to 3838 at the moment.

I suggest we amend the docco to indicate that the situation with 3838 raised specific issues; we ask him to review that case, and the case of two others to be provided by us, to address the questions that are put later in the document; specifically around the legal advice for 3838, but more generally around policy formation, culture and training.

Happy with the document. However, it may be worth reviewing three(???) files as the subject matter of this case was unusual.

Since Ken is meeting with Neil Comrie tomorrow I undertook to have a solid draft of the proposal in front on Ken by the end of today for him to read from tomorrow and give Neil a heads up.

Grateful for your comments on the attached. Deliberately short and focused.
