AUTOMATED VOICE: You have 1 new voice message. You have 1 saved voice message. Received at 3.43 pm.

GOBBO: John it's um Nicola Gobbo speaking. Apparently, you wanted to speak to me before the end of today. I'm gonna be tied um with um someone at about 4.30 and I do not want to hear any part of a conversation I have with you. So, um if um you do need to speak to me, please call me back. Um otherwise um I've got a few things to raise with you which you probably won't know the answers to because quite clearly nobody's bothered to brief you properly. At least, that's the story of my life. Anyway, umm I'll talk to you later. Bye.
