GOBBO: Nicola Gobbo calling for John O'Connor. Can you please call me back. Um this phone number will be disconnected at 4 o'clock apparently. Sorry I was at my surgeon [REDACTED] and dealing with um all of the news organisations that have endangered my life by putting garbage on the internet that breaches the Supreme Court orders and the Witness Protection Act. Um neither of which I know anyone else will do anything about so um I've had to unfortunately correct them all and warn them all and threaten them with um some form of action if they didn't correct what was on the internet. Um anyway if you can call me back urgently that would be good. Thank you, John. Bye.

AUTOMATED VOICE: To transfer this message press 4, to delete press 3, to replay press 7, to save-
