Kirsty,

Please find attached a subpoena received late last night in relation to the Supreme Court Trial of The Queen and Horty Mokbel. I request that counsel be briefed on the basis of PII.

The subpoena is returnable tomorrow at the Supreme Court of Victoria, which is sitting in Court Room 5.1 Melbourne County Court building. It has been sent to the informant Detective Senior Constable Tim Johns [REDACTED] who is currently compiling an objection schedule.

I have ascertained that an objection for PII is warranted on the basis of protecting human sources and on this basis I authorise briefing counsel. Specific details can be provided by Detective Senior Constable Johns. He will be your point of contact.

Detective Senior Constable Johns has requested that Gerard McGuire be briefed subject to availability. I have no problems if this can be arranged.

For your information and consideration.

Kind Regards

Luke Charlesworth | Acting Inspector
