Hi Lucia

I have spoken with Cam this morning. I can confirm that there is no further material re the tax matter. Nothing, zip, end of story. And also Mr Hargreaves will have to accept that there are no tape recordings of discussions with Carl Williams during the time Cam and I took his second statement. We did not record these discussions.

*It seems clear that Cam has done all required checks including checking with Inspector Smith and CCP's office and there are no further documents.*

*I am attaching letters from Hargreaves to VGS and VGS to Hargreaves FYI together with Ron's email to Phillip Dodgson.*

*I would like to write back to Hargreaves tonight and confirm that there is no further material.*

*What do you think?*
