Dear Commissioner McMurdo,

RE: ROYAL COMMISSION INTO THE MANAGEMENT OF POLICE INFORMANTS – REF: NP-71

I refer to your letter dated 8 March 2019, enclosing a Notice to Produce from the Royal Commission to the Magistrates' Court of Victoria.

In relation to the request for the period 1 January 1995 to 31 December 2013, for a list of persons extracted from the Courtlink database on whose behalf Nicola Gobbo appeared in proceedings conducted in the Magistrates' Court of Victoria, I attach a list of those matters for your information. The information has been produced in a format where if there have been multiple listings of a matter, only one date of hearing has been listed.

This information has been provided with the following qualifications. It should be noted that not all information fields in Courtlink are classified as mandatory, leaving the operator a degree of discretion as to whether certain information has been recorded. It has been identified that information concerning a legal representative's details does fall into this non-mandatory category. Also, data has only been provided where the name Ms/Miss Gobbo is listed. Variations of that name have not been included in this data.

Given the restrictions of our case management system, it should be noted that the list provided should not be viewed as an exhaustive list of persons on whose behalf Nicola Gobbo appeared in proceedings conducted in the Magistrates' Court of Victoria.

Please do not hesitate to contact Simone Shields, Principal Registrar on PII if any of your staff wish to discuss this matter further.

Yours faithfully,

Judge Peter Lauritsen
Chief Magistrate
