0830	st Nicola Gobbo re of Quill's debt <small>Mr Bickley</small>		
	Gobbo std - she had later to RBT & acknowledged that Tony Morsell's name was mentioned. She enquired whether the bail application would prove to be embarrassing for her should Morsell's name be mentioned. She also std that she did not want to represent <small>Mr Bickley</small> as it was not in his best interest & that there was a conflict of interest, however she was compelled to do it by Morsell.		
	She again enquired whether stn's evidence would be given as part of the police summary which may embarrass her or cause her problems.		
	I informed her that I would not comment on other parties involved in the operation & that of the 3 offenders <small>Mr Bickley</small> was at the top of the tree. I also informed her that bail would be rigorously applied & that I was aware of her position in relation to Morsell.		
	I suggested to her that myself & st's manson could be at court early & that we could discuss the matter in person.		
0845	st st's manson informed same of conv.
